

## Found a Spotted Lanternfly in New York?

1. Take pictures of the insect, egg masses, or infestation you see and, if possible, include something for size, such as a coin or ruler.
2. If possible, collect the insect. Place in a bag and freeze, or in a jar with rubbing alcohol or hand sanitizer.
3. Note the location (street address and zip code, intersecting roads, landmarks, or GPS coordinates).
4. Email pictures and location: [spottedlanternfly@agriculture.ny.gov](mailto:spottedlanternfly@agriculture.ny.gov)
