

# Are you a septic system owner? Do you maintain your system? What are your concerns?

We are Sharon Moran and Mackenzie Gregg, a professor and student from SUNY-ESF in Syracuse, NY, and we'd like to hear about your septic experience for our research study on septic system management. Our project seeks to learn more about how septic systems are managed in the area to help clarify any problems and what could be done to improve them.

Complete our **online survey**, which takes only about ten minutes, and you can also have your name entered to **win a \$50 gift card!**

If you are interested in participating in a **focus group** discussion (in-person or virtual), please email us at [nysepticstudy@gmail.com](mailto:nysepticstudy@gmail.com) or call 315-728-9782.

Scan the QR Code to access the survey directly!
